*Please register to attend the field demonstration by using the link or QR code.
Lunch will be provided

WORKSHOP TOPICS

- Overview of the Agave genus (biology and physiology).
- Main agave species used in Mexico for the production of distilled or non-distilled beverages.
- Crop management and overview of various ways agave can be utilized.
- How transitioning ag lands to agave may qualify for **MLRP funding**.
- Additional opportunities to learn from local agave growers.

SUBMIT A PRE-APP NOW!

MLRP pre-application is available now! The **first step** to participate in the MLRP Madera funding opportunity is to fill out and submit a pre-application form prior to the November 22 deadline. After pre-applications are reviewed, invitations will be sent to those who meet program eligibility requirements to begin the project proposal development process. Access the Pre-Application Form [HERE](#).
